PORTFOLIO
jchrist.work

I bring the cogency of engineering to the alluring concert of design.
I ambitiously seek opportunities exploring ideation, professional growth and persistent learning.

⟩ RELEVANT WORK EXPERIENCE

SAPIENT
Jan 2016 - Present
Arlington, VA

INFORMATION ARCHITECT

Department of Homeland Security (DHS) US Citizenship & Immigration Service (USCIS)
– Won a hackathon-style tech challenge to redesign US Electronic Immigration System (ELIS)
– Collaborated with DHS employees & original ELIS developers for improved system UX

First Responder Network Authority (FirstNet), AT&T
– Designed responsive UI for 6-site web suite for the nationwide First Responder Network
– Implemented as the most accessible, 508-compliant platform built by Sapient

The Institutes
– Delivered heavily annotated responsive prototypes used for usability testing & development
– Presented VR deck to Experience Design cohort discussing design for frontier mediums

Food & Drug Administration (FDA) Center for Tobacco Products (CTP)
– Converted complex PDF training document into robust iOS app to curb youth smoking
– Implemented quiz screen flows and interactive question-answer formats on mobile

FREELANCE
Jun 2015 - Jan 2016

EXPERIENCE ENGINEER
– Designed & developed customized websites for Atlanta small businesses
– Revamped small business branding by modernizing customer interaction
– Created professional branding via visual design to increase customer engagement
– Collaborated with local developers to build custom solution for small business issues

B-LINE MEDICAL
Oct 2014 - Jun 2015
Washington, DC

PRODUCT DESIGNER
– Designed Google Glass application for debut of medical simulation software integration
– Created hi-fi mockups for immediate implementation in software application
– Researched students at several educational institutions to validate development
– Collaborated with all departments to develop data-driven keynote on customer base
